Power amplifier/audio etc

3.5mm interface

Mobile phone/computer etc

The image depicts a cozy indoor setting. In the foreground, a silver laptop sits on a dark wooden table, displaying a video player interface with a scene from a movie. To its right, a black power amplifier with two large knobs and several buttons is connected to two black speakers. A small white cup of tea on a saucer is placed next to the amplifier. In the background, a lush green living wall is illuminated by warm, yellow pendant lights. A small Eiffel Tower model and a stack of books are on a side table.

Notebook and power amplifier connection

Enjoy a relaxing afternoon tea time

Not easy to knot $\pm 180^\circ$ bend

PVC Material, Strengthen jacket
Prevent knotting No cracking

$\pm 180^\circ$ bend

No cracking

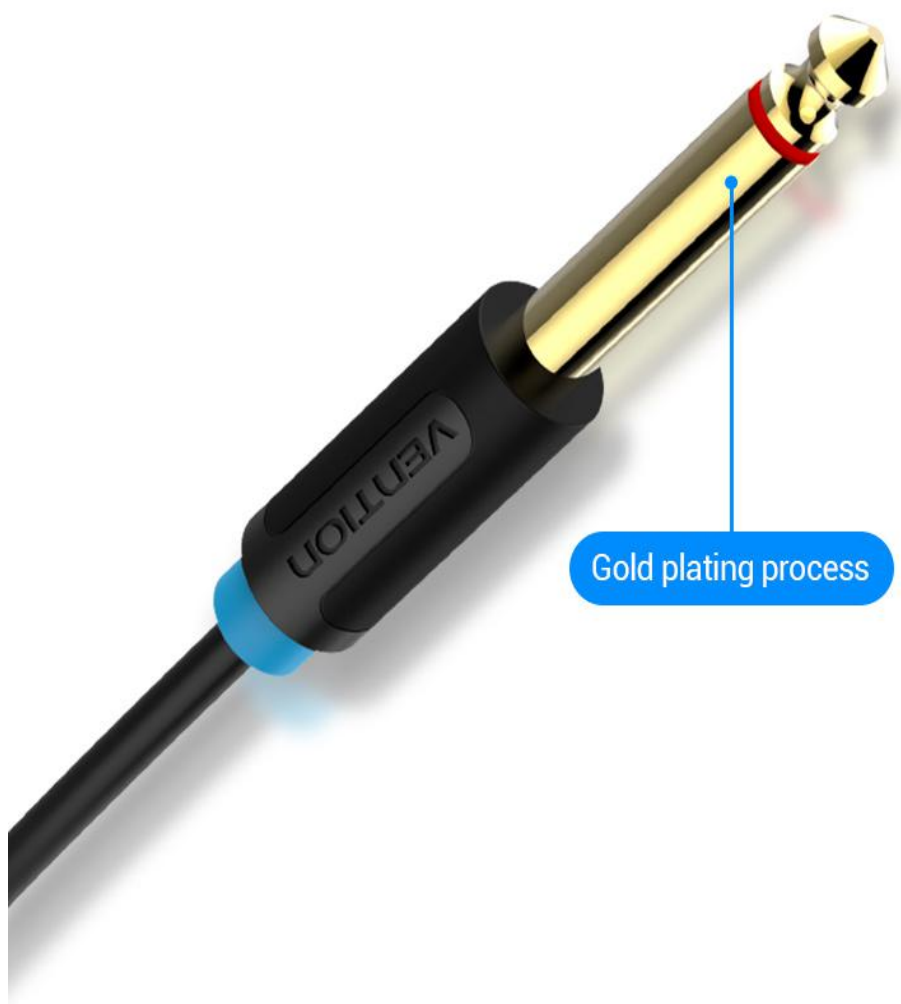

SR Rear reinforcement

The connection is reinforced with SR to avoid cracking and more durable

Vention Excellent quality

Gold-plated craft plug,Pluggable,Does not rust
Fast transmission,Reduce sound quality loss

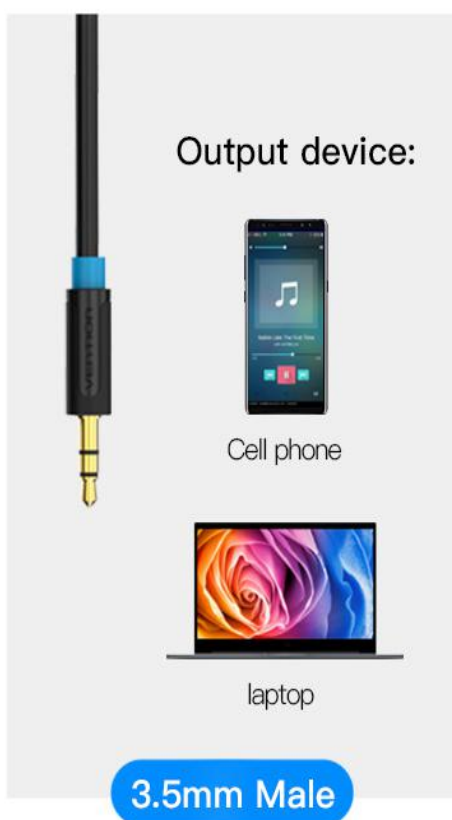

Easy to plug Not jammed

Stepped plug design, Can be used without removing the phone case

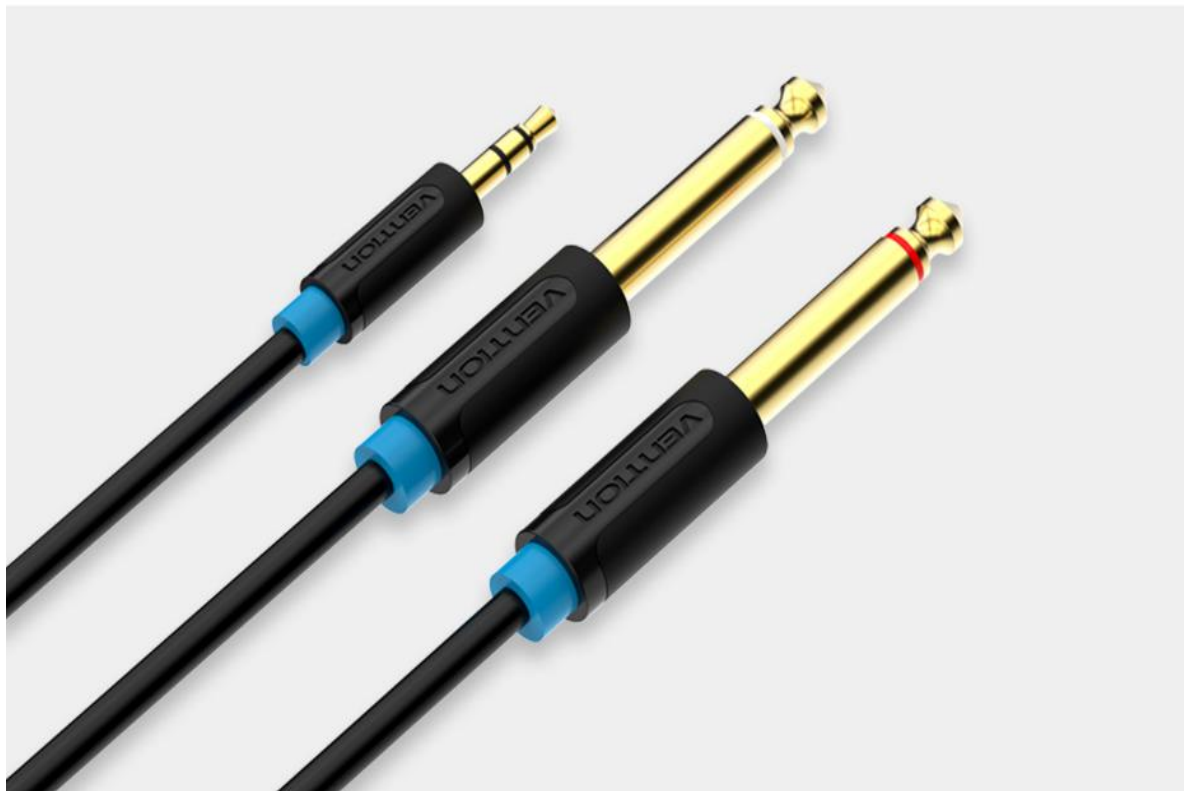

Compatible with more devices

Suitable for connection between 3.5mm female ports
and equipment with dual 6.5mm female ports
