DYMO® LabelWriter™ Labels

DYMO® LabelWriter™ Labels use a thermal transfer printing process – so you never need to bother with messy, expensive ink or toner cartridges. And because they're packaged in continuous rolls, you can print one label or hundreds with ease – no sheet label jams, no layout hassle and no waste.

We have three label grades:

• **Permanent white paper labels:** Ideal for most labelling jobs

• **Removable white paper labels:** For non-permanent labelling – leave no residue when removed

• **Permanent transparent plastic labels:** Allow surface being labelled to show through – giving the appearance of printing directly onto the surface
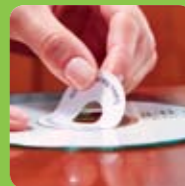

= Permanent   = Removable

S-code	Description (W x H)	Rolls per box	Suitable for DYMO® model	Label on roll	Permanent or removable
S0722370	Address labels (white) 89 mm x 28 mm	2		130
