

## Product information

**61 02 200**

### Bolt End Cutting Nipper High lever transmission

DIN ISO 5743

- Powerful, compact, comfortable
- Particularly high cutting capacity with minimum effort due to optimum transmission ratio
- To force off break-away nuts (collars) made of aluminium, steel and titanium e.g. on Hi-Lok® screw fasteners
- Handles angled for better accessibility
- With slim multi-component grips without collar for better handling and easier transport
- With large contact surface on the handles for better allotment of pressure and more comfort at work
- Vanadium electric steel, forged, multi stage oil-hardened

#### General

|             |                    |
|-------------|--------------------|
| Article No. | 61 02 200          |
| EAN         | 4003773067047      |
| Pliers      | black atramentized |
| Head        | polished           |
| Handles     | plastic coated     |
| weight      | 435 g              |
| Dimensions  | 200 x 45 x 15 mm   |
| Standard    | DIN ISO 5743       |
