

### VK000052

# **CONNECTION TECHNOLOGY • DISTRIBUTION TERMINALS**

distributor, 33x15x40mm, Parallel wiring, 2x M8 3pin, 60V, M8 3pin, IP67

# **MECHANICAL FEATURES**

| Degree of protection (IP)                     | IP67  |
|---|-------|
| Fix cable version suitable for trailing chain | -     |
| Height  | 33 mm |
| Housing color                                 | Black |
| Length  | 15 mm |
| Width   | 40 mm |

#### **ELECTRICAL FEATURES**

| ELECTRICAL FEATURES                         |         |
|---|---------|
| Cable length, configurable                  |         |
| Connection for NPN sensors                  | -       |
| Max. ampacity per I/O signal                | 4 A     |
| Max. total current                          | 4 A     |
| Number of pins                              | 3       |
| Number of pins of sensor/actuator slots     | 3       |
| Number of sensor/actuator slots             | 2       |
| Rated switching current                     | 4000 mA |
| Rated voltage                               | 60 V    |
| Type of branches for sensor/actuator cables | M8      |
| Type of plug connector for trunk line       | M8      |
| Voltage type                                | AC/DC   |
| With LED display                            |         |
| With potential separation                   | -       |

# OTHER FEATURES

| Operating temperature | -25 °C 85 °C |
|-----------------------|--------------|
|                       |              |

# Other

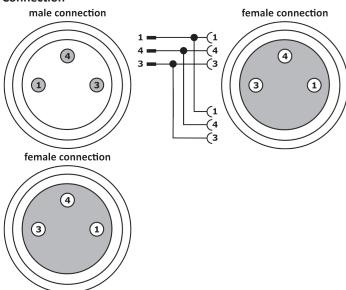

| Packaging dimensions | 100mm x 18.0mm x 120mm |
|----------------------|------------------------|
| Shipping weight      | 0.02kg                 |
| Tariff code          | 85366990               |

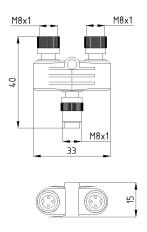

#### Classification

| ipf product group | 855      |
|-------------------|----------|
| eClass 8.0        | 27279219 |
| eClass 9.0        | 27440108 |
| eClass 9.1        | 27440108 |
| ETIM-5.0          | EC002585 |
| ETIM-6.0          | EC002585 |
| ETIM-7.0          | EC002585 |

#### Connection

### Installation

Mounting / installation may only be carried out by a qualified electrician!

### Disposal

# Safety warnings

Before initial operation, please make sure to follow all safety instructions that may be provided in the product information.

Never use these devices in applications where the safety of a person depends on their functionality.

LED lighting systems can generate intensive UV radiation, which can damage your eyes in case of improper use. The manufacturer cannot be held responsible for damages that result from improper use or connection.
