

Qoltec USB 3.0 SATA adapter for HDD|SSD 2.5"

Product code: 51855

SATA / USB 3.0 adapter designed to connect 2.5" HDD and SSD hard drives to PC . It has a SATA input on one side and a cable with a USB 3.0 connector on the other.

COMPATIBLE WITH ALL OPERATING SYSTEMS

Qoltec's adapter is the ideal solution when you want to back up files, copy data from a drive to another drive or transfer an operating system. The device **does not require** the installation of drivers thanks to **the plug&play function**. In addition, the adapter is compatible with all operating systems.

PRACTICAL AND CONVENIENT

- Qoltec brand adapter:
- supports 2.5" HDD and SSD,
 - maximum data transfer speed of 5Gbps,
 - USB 3.0 communication with SSD and compatibility with earlier versions,
 - Plug&play function - no additional driver installation required,
 - hot plug/swap function - allows you to work while the PC is turned on,
 - compatible with all Windows, MacOS and Linux operating systems,
 - has LEDs to indicate the operation of the device.

CONFIDENCE CONFIRMED BY A WARRANTY

Each adapter comes with a 24-month warranty period from the date of purchase.
